Just minutes from Escanaba, MI and five miles to Lake Michigan, Steelhead Lodge is a 4 Bedroom, 3-1/2 Bath custom built hand hewn log home with 750' frontage on the Big Cedar River. You can kayak, fish for trout or salmon, or watch bald eagles sailing by on your isolated stretch of river. The lodge is solar powered with a backup generator for emergency situations, and is far enough from the road that no outside sounds will bother your stay.

You can make this vacation as relaxing or exciting as you want. The lodge is fully furnished, and all you need are your personal items and food. Restaurants are nearby and the Island Resort & Casino provides dining as well as gaming, headline entertainment, and a gorgeous golf course a short 20 minute drive away.

The property sits in the Escanaba State forest, with 8 miles of cross country skiing, hiking, and biking trails just ¼ mile from the lodge. Deer, bear, small game, and upland bird hunting, fishing, and nature walks are all available within short a walking distance from the lodge.

The donation is for up to four people for 3 nights (during one stay) for open dates in 2018 or 2019. Up to four additional people can be added for \$75 per person (maximum 8 guest). Pets may be allowed for an extra charge. A refundable security deposit is required.

You can check out the property on VRBO.com, listing #768557. Or search their website in Cedar River, Michigan. Please check out the listing for more information and amenities, and view available dates on the calendar before making a reservation.
