

Veterinary List for EU Ultrasound

1- VOSM in Maryland is the Gold Standard. Dr Deb Canapp seems to be who everyone wants to perform ultrasounds. I would try and make contact with her. I would ask if they know of any others who may be able to perform this type of ultrasound as you will need vets throughout the country. (Have not yet been used.)

Address: 10975 Guilford Rd., Annapolis Junction, MD 20701

Phone: 240-295-4400

2- Jason Randall of Animal Hospital of Woodstock is very good at performing ultrasounds. He is difficult to get an appointment with so plan ahead.

Address: 11711 Catulpa Lane, Woodstock, IL 60098 (May no longer be available but may know who in his area would be capable of the test.)

Phone: 815-337-2900

3- Sondel Family Veterinary Clinic, 1848 Waldorf Blvd., Madison, WI 53719,
