<p align="center"><b>Excerpts from the Breed Regulations, Appendix 6</b></p> <p><b>§3 KIM Breed Regulations (ZO) Appendix 6 Rules and regulations on registering litters</b></p> <p>The breeder has to register all of the puppies in his/her litter with the Office of Breed Registry. The application for entry in the Breed Book and the issuing of pedigrees must be made by the Breed Warden of KIM-GNA with the Office of Breed Registry. The registration of the litter is subject to a fee and is accepted after transfer of the fees to the Treasurer, KIM-GNA, as set forth in the currently applicable schedule of fees.</p> <p>If a litter registration in the Breed Book is approved by the Breed Commission after the breeding, the breeder or the stud dog owner/ proprietors can be fined according to the amount set out in the schedule of fees, depending on the degree of fault. After receipt of the complete litter registration documents at the Office of Breed Registry, pedigrees and certificates will be sent to the breeder within three weeks.</p> <p><b>Important information:</b></p> <p>A complete application for litter registration consists of at least:  Application, mating certificate (<i>Deckschein</i>), original pedigree of the breeding bitch, and the Litter Registration Fees worksheet. The calculated amount must have been credited to the account of KIM-GNA, and the same applies to the mating tax (<i>Decktaxe</i>).</p> <p>If special approvals for breeding by the KIM-D Breed Warden or Breed Commission were necessary, the written approvals must also be attached to the application for litter registration.</p>
